

FL1273 Rye Monastery - TN31

<https://www.freshlocations.com/property/rye-monastery/>

The Rye Monastery consists of a two floor chapel with an unusual combination of 14th Century monastic and Brutal Industrial architecture; with four original 14th Century stone tracery windows on the first floor and a height of 8.7m from the floor to the apex of the roof. Industrial ground floor space with chunky iron beams and factory style doors leading to the main large garden with its huge ancient tree providing privacy. In addition to these two main spaces, there are several interesting ancillary spaces and showrooms.
