

## FL2798 Blair - E17

<https://www.freshlocations.com/property/blair/>

Spacious and quirky semi-detached house shoot location in East London. This property is full of light and texture, with contrasting dark and light colours throughout. The house was refurbished in 2021 to add contemporary and striking design elements, whilst still keeping the best original features; the doors, cornicing, and fireplaces. There is a summer house at the end of the garden, which provides an additional lounge, bathroom and even a sauna. London Borough of Waltham Forest.
