

FL2810 Turner - EN7

<https://www.freshlocations.com/property/turner/>

This shoot location is a converted Victorian water pumping station with a mid century interior style. There is a double height vaulted ceiling, with two mezzanine levels looking onto the open plan living area. The full height sliding doors provide ample light in to the kitchen, where there is a stylish elongated island/dining table. There are five bedrooms within this property, and four bathrooms. Set on two acres of garden and woodland, this property is located in Hertfordshire.
