

## FL3000 Hampstead Hall - NW3

<https://www.freshlocations.com/property/hampstead-hall/>

A shoot location in North West London featuring high vaulted ceilings with intricate architectural detailing, the space is bathed in natural light streaming through large arched windows. Rows of classic wooden chairs and warm wood paneling lend a timeless, elegant atmosphere to the hall. A grand chandelier and a stately organ at the far end serve as striking focal points, perfect for period dramas, concerts, or upscale event scenes. The combination of ornate design, rich textures, and impressive scale makes this location both versatile and visually captivating for production needs. The separate Sixth Form Centre is a flexible space with meeting rooms and a cafe. London Borough of Camden.
