

FL3012 Bonsai Office - SW4

<https://www.freshlocations.com/property/bonsai-office/>

A bright and modern office shoot location in South West London. This modern office shoot location features a stylish open-plan reception area with high ceilings, industrial beams, and contemporary circular lighting, offering plenty of natural light. The space includes wood-panel accents, lush greenery, and versatile seating areas, perfect for dynamic filming or photoshoots. The main office floor is equipped with sleek white desks, black leather chairs with gold accents, and an abundance of natural light, creating a polished and professional atmosphere. Additional features include minimalist shelving, unique artwork, and an inviting staircase for creative angles. This location provides a versatile backdrop suitable for a variety of creative projects.
