

## FL3024 Bromley Common - BR2

<https://www.freshlocations.com/property/bromley-common/>

This charming shoot location in Bromley Common, London, combines vintage elegance with natural beauty. The light-filled living room features a Victorian-style fireplace, hardwood floors, an emerald-green velvet sofa, and a mix of classic and modern décor, all bathed in natural light from large bay windows. Outside, the picturesque garden offers a rustic greenhouse, a quaint summer house, and serene seating areas surrounded by lush greenery. With its blend of character and versatility, this space is ideal for photoshoots, film productions, or creative projects.
