

FL3032 Borough Works - SE1

<https://www.freshlocations.com/property/borough-works/>

Located in the heart of Borough, this shoot location offers a unique blend of Victorian heritage and contemporary design. The converted factory has been revitalized into a stunning South London workspace, with nine exceptional indoor and outdoor spaces available for hire. While retaining the industrial charm of the original building, Borough Works has been thoughtfully modernized, making it a versatile location for a wide range of productions. London Borough of Southwark.
